## **APPLICATION FOR SPECIFIC PERMIT**

## UNDER THE NORTH CAROLINA ARCHAEOLOGICAL RESOURCES PROTECTION ACT (Pursuant to G.S. 70, Article 2)

Return form to:

Date of Application:

1.	Principal Investigator
1.	
	Name:Agency Affiliation:
	Address (include zip code):
	Telephone Number: ( ) - Email Address:
2.	Project Director (if different from Principal Investigator)
	Name:
	Agency Affiliation:
	Address (include zip code):
	Telephone Number: ( Email Address:
3.	Project Location Description
	Name of State Property: County:
	Land Managing Agency:
	Name, address' (physical & email), and telephone # of agency official:  Name, address' (physical & email), and telephone # of agency local contact:
	Estimated Acreage of Proposed Investigation Area:
4.	Estimated Acreage of Proposed Investigation Area:  Type of Proposed Investigations
4.	Estimated Acreage of Proposed Investigation Area:  Type of Proposed Investigations  Surface Survey with Artifact Collection
4.	Estimated Acreage of Proposed Investigation Area:  Type of Proposed Investigations  Surface Survey with Artifact Collection Surface Survey without Artifact Collection
4.	Estimated Acreage of Proposed Investigation Area:  Type of Proposed Investigations  Surface Survey with Artifact Collection
	Estimated Acreage of Proposed Investigation Area:  Type of Proposed Investigations  Surface Survey with Artifact Collection Surface Survey without Artifact Collection Subsurface Testing: Type: Unit Excavation
	Estimated Acreage of Proposed Investigation Area:  Type of Proposed Investigations  Surface Survey with Artifact Collection Surface Survey without Artifact Collection Subsurface Testing: Type: Unit Excavation  Proposed Schedule (Including beginning and completion dates. The schedule is to include 60 days to review and
4. 5.	Estimated Acreage of Proposed Investigation Area:  Type of Proposed Investigations  Surface Survey with Artifact Collection  Surface Survey without Artifact Collection  Subsurface Testing: Type:  Unit Excavation  Proposed Schedule (Including beginning and completion dates. The schedule is to include 60 days to review and comment on the draft report and 30 days for response, revisions and submittal of the final report.)  Fieldwork (Anticipated start date and duration):
